OUR LEADERS

Shri Pramod Kumar Jain

Chairman

Founder & Chairman

We Build Institutions That Heal The World.

At LCIT School of Pharmacy & LCIT College of Pharmacy, our foundation is excellence without compromise. We fuse world-class infrastructure, PCI-aligned academics, and ethical values to create pharmacists who don't just dispense medicine they define the future of healthcare. Our mission: equip every student with unbreakable knowledge, clinical confidence, and innovation-driven skills to lead in global pharma, research, and patient care.

Shri Ankit Jain

Vice-Chairman

Innovator & Vice-Chairman

We Don't Follow Pharma Trends We Set Them.

Our blueprint for LCIT SOP & COP is simple: relentless innovation & strategic industry integration. We push academic standards higher, unlock global certifications, and build a dynamic ecosystem where drug research, IPR, and entrepreneurship thrive. Every initiative here is designed to make our students future-proof, formulation-ready, and industry-first.

Mr. Upkar Rai

Secretary (SSVT)

Visionary & Secretary (SSVT)

Great Pharmacists Are Built on Strong Ethics.

Our strength lies in discipline, integrity, and transformative learning. At LCIT SOP & COP, we create opportunities that sharpen both scientific acumen and human values. We're shaping professionals who will lead with accountability in labs, compassion in hospitals, and excellence in industry carrying the LCIT name into every pharmacy, plant, and research center.

Dr. Ritesh Jain

Principal
School of Pharmacy

Ingenuous & Principal SOP

Creating Pharmacists with skills, ethics and compassion

Driving PCI-compliant academics, research culture, and hospital-industry immersion at LCIT-SOP. Focused on producing pharmacists skilled in drug discovery, patient counseling, quality systems, and pharma-tech ready for the next era of healthcare.

Dr. Sandeep Gupta

Principal
College of Pharmacy

Motivator & Principal COP

Crafting Pharmacists Who Command Respect in every sector

Championing outcome-based learning, innovation in dosage forms, and ethical pharmacy practice. Committed to making LCIT-COP a hub for skilled professionals in production, marketing, hospital pharmacy, and regulatory affairs across India and beyond.

Dr. Shubhi Shrivastava

Vice-Principal

Creative & Vice Principal

We Turn Potential Into Pharmaceutical Precision.

Our mantra: discipline, consistency, and hands-on mastery. We merge core pharmaceutical theory with real-world application through GLP labs, hospital rotations, and live formulation projects. Every LCIT SOP & COP student is trained to enter competitive arenas-GPAT, drug regulatory, QA/QC, clinical research with confidence and emerge as leaders.

ABOUT US

LCIT SCHOOL OF PHARMACY

LCIT School of Pharmacy, located in Bilaspur, Chhattisgarh, was established in 2018 with the vision to provide quality pharmaceutical education and contribute meaningfully to the healthcare sector. Since its inception, LCIT School of Pharmacy has strived to become a center of excellence in pharmacy education by offering diploma, undergraduate, and postgraduate programs, including D. Pharmacy, B. Pharmacy, and M. Pharmacy. The postgraduate courses include specializations in Pharmaceutics and Pharmaceutical Chemistry, designed to build strong research acumen and advanced technical knowledge among students. The college campus is well-equipped with state-of-the-art infrastructure, including modern laboratories that support hands-on learning and innovation in pharmaceutical sciences. Our research facilities enable students and faculty to engage in scientific discovery and industry-oriented projects. The institution provides spacious, smart-enabled classrooms for interactive learning, a well-stocked library with national and international journals, comfortable hostel accommodations, and reliable bus services for daily commuting. Emphasizing both academic rigor and holistic development, LCIT School of Pharmacy is dedicated to producing skilled, compassionate, and forward-thinking professionals who are prepared to lead and excel in various sectors of the pharmaceutical and healthcare industries.

LCIT COLLEGE OF PHARMACY

LCIT College of Pharmacy was established in Bilaspur Chhattisgarh by Shree Shree Vidyasagar Ji Maharaj education trust in the year 2023–24. It is situated in the NH-130, the prime location of the city, the institute is committed to pursue quality education, research and development in the pharmacy. The institute is not only having outstanding performance in classroom education but it also grooms the overall personality of the students by conducting various skill full outdoor activities like— industrial visit, field visit, training and placement, and other social awareness programmes. So that they can easily the real challenges of life. The college was established with vision to create more entrepreneurs than job seekers. By cultivating an entrepreneurial mindset and a spirit of innovation, LCIT College of Pharmacy aims to shape future leaders who will redefine the healthcare and pharmaceutical landscape.

TRAINING & PLACEMENT CELL

The Training and Placement (T&P) departments in Pharmacy colleges act as a bridge between industry and academia, here departments focus on making students "industry-ready" through a combination of mandatory industrial training, technical training, and soft skill development.

Top Recruiters:

Students are placed in renowned Industries such as Alkem Laboratories, Macleods Pharmaceuticals limited, IMAEC Pharma limited, Apollo Pharmacy, GoApptiv, Pratham Hospital & Mark Hospitals etc.

Entrepreneurship:

Some departments have successfully supported students in starting their own pharmaceutical businesses.

Industrial Visits:

Educational tours to pharmaceutical manufacturing units and research labs are conducted.

MoUs:

Departments maintain MoUs with industries and research institutions to facilitate, internships, and project work.

SALIENT FEATURES

- ◉ Approved by Pharmacy Council of India and affiliated to Chhattisgarh Swami Vivekanand Technical University, Bilai.
- ◉ Strong academic curriculum in Pharmacy.
- ◉ Highly qualified and experienced faculty.
- ◉ Well-equipped laboratories with modern instruments.
- ◉ Focus on research in Pharmaceutical Sciences.
- ◉ Industry collaborations and internship opportunities.
- ◉ Good placement record with reputed pharmaceutical companies.
- ◉ Exposure to hospital/clinical pharmacy practices.
- ◉ Emphasis on practical training and skill development.
- ◉ Availability of scholarships and financial support.
- ◉ Strong alumni network and reputation.

INDUSTRY MOUs

From Lab Coat to Cleanroom — We Train You Where Medicines Are Made

At LCIT SOP & LCIT COP, we know a real pharmacist isn't made in classrooms alone. That's why we've built Official MoUs with leading pharma companies, and hospitals — turning your degree into a direct entry pass to the industry.
